Kin Club of Cranbrook Golf Tournament Sponsor Information Cranbrook Golf Club ~ August 16, 2024

Can you believe that the Kinsmen Spray Park has been helping families stay cool in the summer since July 19, 2000? Project Chair, Steve Rogers, and fellow Kinsmen member, Mike Paugh, were in the newspaper doing the ribbon cutting with so many families ready to have fun!

Back then, almost 25 years ago, the price tag to set up the park was \$150,000. Thousands of people have enjoyed the park over the years & we would like to see thousands more use it for many years to come!

Well, here we are in 2024 now. The park is in need of some maintenance. The recycled tire pad needs to be dug up in places to fix water leaks. We also need to install a new piece of spray equipment. While we are at it, the goal is to make some additions to the park as well. The goal is approximately \$250,000 in fundraising dollars.

We have decided to kick off the fundraising with a Golf Tournament. It will be best ball style and will be held at the Cranbrook Golf Club on Friday, August 16th with a shotgun start at 1:00 pm. We have lots of fun things planned to make it a tournament you'll want to come to year after year!

We are looking for sponsorships to help raise money for the Kinsmen Spray Park. This can be through one of the Gold, Silver or Bronze Sponsors below or by donating money or items that we can use in our silent auction/raffle prizes or by signing up to golf.

Please see the sponsor information below and let your local Kin Club member know how you'd like to help us help the kids in our community.

We realize that you only have so much available in your marketing budget for things like this. Thank you very much for considering this as something to keep going in our community! After all, our motto is Serving the Community's Greatest Needs.

We look forward to hearing back from you!
