

To the amazing parents of Saint Cecilia Catholic School,

My name is Denise Nicholas, and I am the new library media specialist this year! I am so excited to be joining family here, and look forward to meeting all of you! I would love to have you volunteer in the library.

The school library is a hub for learning, discovery, and imagination for all students. The library relies on parent volunteers to keep its programs running smoothly.

Contributions, whether a few hours a week or for special projects, make a significant difference. Volunteers can assist with tasks such as:

- Helping students find books
- Shelving and organizing materials
- Assisting with library events and displays
- Helping with clerical tasks

Involvement strengthens the library program and sets a good example for children, demonstrating the importance of education and community involvement.

To learn more about volunteer opportunities and how to join the library team, contact me at dnicholas@saintcecilia.org

Thank you for considering this opportunity to contribute to the school community and student success.

See you soon!

Denise Nicholas
