<i>How has COVID-19 affected your business?</i>	Initially, we closed completely to safeguard the workforce. We reopened once it was deemed safe to do so, as our customers needed work completing. Our turnover has dropped significantly, and we were reliant on the bounce back loan.
<i>How will your business operate post COVID-19 crisis?</i>	We have had to separate the workstations giving each worker more space. We have also split the workforce so they start at 7:30 and 8:00. This enables us to split the breaks which allows more space in the canteen. On arrival, all workers have their temperature checked, and are asked to wash their hands.
<i>What advice would you give to the other businesses in Stakehill to adapt the post COVID-19 crisis?</i>	Do what you can to operate, but stay safe!
