Preferred Name: Anasesha Mathan

School Affiliation: Delcastle Technical High School

Title: Student Council President

Post nominal Credentiall: N/A , Additional Credential: CPR Certified

Short Bio:

- **I am a senior at Delcastle Technical High School pursuing Biomedical Science and currently serving as Student Council President. Since freshman year, I have been involved in student leadership through the Delcastle Executive Board, Class of 2027 Executive Council, Principal's Committee, HOSA, SkillsUSA, and SL24, where I serve as a team captain. I have also represented Delcastle at the state level through HOSA and SkillsUSA, served as a SkillsUSA Shop Representative, completed over 350 volunteer hours, and am CPR certified. Being part of NCCVT and Delcastle has truly changed my life. I have grown not only as a student, but as a leader and person. I am especially thankful for my family,my friends, my advisors especially Ms. Bainbridge and Mr. Tiberi, and my shop teacher, Ms. Wilding, for always supporting and encouraging me. Watching my parents work hard and being inspired by my sister's connection to healthcare motivated my passion for medicine. After graduation, I hope to attend Drexel University, pursue medicine, and continue serving others and making a positive impact in my community.**
