For over 55 years, **Theatre Communications Group** (TCG), the national organization for U.S. theatre, has existed to strengthen, nurture, and promote the professional not-for-profit theatre. TCG's constituency has grown from a handful of groundbreaking theatres to over 700 Member Theatres and affiliate organizations and more than 12,000 individuals nationwide. TCG offers its members networking and knowledge-building opportunities through conferences, events, research, and communications; awards grants, approximately \$2 million per year, to theatre companies and individual artists; advocates on the federal level; and through the Global Theater Initiative, TCG's partnership with the Laboratory for Global Performance and Politics, serves as the U.S. Center of the International Theatre Institute. TCG is North America's largest independent publisher of dramatic literature, with 16 Pulitzer Prizes for Best Play on the TCG booklist. It also publishes the award-winning *American Theatre* magazine and ARTSEARCH®, the essential source for a career in the arts. In all of its endeavors, TCG seeks to increase the organizational efficiency of its Member Theatres, cultivate and celebrate the artistic talent and achievements of the field, and promote a larger public understanding of, and appreciation for, the theatre. www.tcg.org.
