

Join Our Team!

Pittsburgh Public Schools is looking for highly-qualified and experienced industry-trained professionals for Career and Technical Education (CTE) teaching positions.

Machine Operations

The CTE Machine Operations program prepares students to apply technical knowledge and skills in all aspects of shaping metal parts. Instruction involves making computations relating to work dimensions, tooling and feeds and speeds of machining.

Use your Industry Training and Experience to
Train the Workforce of Tomorrow.

APPLY TODAY at www.pps.k12.pa.us/careers!

The Career and Technical Education (CTE) Division provides Pittsburgh Public Schools students with the opportunities to earn college credit and industry-recognized credentials. Students add value to their overall education by completing CTE programs of study while gaining technical skills for a wide range of careers.

The Pathway to the Promise.

The Pittsburgh Public Schools (PPS) does not discriminate on the basis of race, color, national origin, sex, disability or age in its programs, activities, career and technical education programs or employment and provides equal access to the Boy Scouts and other designated youth groups. Inquiries may be directed to the Title IX Coordinator or the Section 504/ADA Title II Coordinator at 341 Bellfield Ave, Pittsburgh, PA 15213 or 412.529.HELP (4357).
