

Pembroke Realty Group and Beth Sholom Village To Build State-of-the-Art Senior Community

VIRGINIA BEACH, Virginia - Pembroke Realty Group and Beth Sholom Village are excited to announce a vibrant new Senior Living Community in Virginia Beach.

The 7-story Senior Living Community will have 124 independent living apartments, 20 assisted living apartments and 12 memory support units for a complete continuum of care.

This dynamic Senior Living Community will feature various spaces for entertaining and amenities will include, a rooftop terrace, indoor pool, fitness room, Wi-Fi throughout, and more. Residents will enjoy a pet-friendly environment, beautician services, health and wellness classes, chef prepared meals with flexible dining options, as well as professional housekeeping services.

"Today's seniors are looking for different types of living options," said Ramsay Smith, President of Pembroke Realty Group. "This Senior Living Community at Pembroke will meet the growing demand in Virginia Beach. Its design, personal care options, entertainment, programming and abundance of amenities are specifically tailored to the community."

"Both companies have a long history of excellence, paving the way for an innovative and strategic partnership," said David Abraham, Chief Executive Officer of Beth Sholom Village. "Together, we have created a vision for Senior Living that will define a new era on aging in the community."

The Senior Living Project at Pembroke will be located at the corner of Jeanne Street and Constitution Drive. The location was selected to provide the residents easy access to the best shopping, dining and entertainment. This state-of-the-art, vibrant Senior Living Community was designed by Kahler Slater Architects with programming by CJMW Architecture and is scheduled to open Fall 2023.
