**TOBY WEINMAN ASSISTED LIVING RESIDENCE AT MENORAH MANOR
RECEIVES SIXTH DEFICIENCY-FREE SURVEY IN A ROW**

Saint Petersburg, FL— Menorah Manor is proud to announce that the Toby Weinman Assisted Living Residence received its sixth deficiency-free survey in a row from the Agency for Healthcare Administration.

Assisted living facilities are inspected to ensure that they meet all of the requirements to renew their state license. Surveyors arrive unannounced to evaluate services and quality of care, compliance with regulations, cleanliness and safety of the facility, and overall satisfaction of the residents. During this intense review, surveyors examine records, observe daily activities at the facility, and conduct thorough interviews with residents, staff and family members.

“We are very proud of the Toby Weinman team and the entire Menorah Manor family for consistently providing the highest level of care to our residents,” said Robert Goldstein, Menorah Manor Chief Executive Officer. “This achievement would not be possible without their unwavering dedication, compassion, and hard work.”

The Toby Weinman Assisted Living Residence, located on Menorah Manor’s St. Petersburg campus, is the only Jewish assisted living residence in southern Pinellas County. Since its opening in 2003, it has maintained the mission of Menorah Manor to provide the best possible care and support to residents in a comfortable, compassionate and secure environment.
