

Special Needs Summer Programs 2019 Edition

The SuperSchade's Foundation, founded August 20th, 2013, is a 501(c)(3) nonprofit organization. We work with local organizations and businesses to help supplement the cost of summer camp for families of children and young adults with special needs and provide a summer camp devoted to empowering individuals to become as independent as possible. We hope to assist in providing a better quality of life for all individuals, regardless of ability.
