Nursery and Children's Church Updates

Ms. Caroline has added a new sign-in system to increase the safety of our precious little ones in nursery. She is also adding in the Orange curriculum to our nursery time schedule which will be such a special time for our little ones to grow in their faith in a fun and age appropriate way. We love our Ms. Caroline! We have also begun using the Orange curriculum in children's church and we love it!

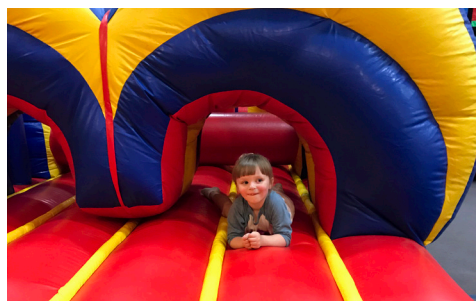

We are loving our DIG Sunday School for Prek-2nd and 3rd-6th. A special thank you to those who make these classes possible. If you are interested in leading a young adult Sunday school at the same time that our classes meet (10:00-10:40) let me know. Let's partner together to simultaneously provide age appropriate learning for our children and Sunday School communities for our young adults where you can connect and grow together.

WONDERFUL
