How often do you hear that these are unprecedented times? It is true that most of us haven't lived with a pandemic. The natural disasters, the political and racial unrest all roll together to create a miasma of despair unlike anything we've experienced. Except we have. Maybe not exactly like this, but we know the experience. We've been here before. We call it wilderness. It is a regular occurrence in the lives of followers of Jesus. Our task in this series is to help us find our way through the wilderness of this time by allowing the first of God – wanderers in the book of Exodus to speak to us. The stories of the people of God, along with the hymns of the faith in Psalms, become our guides in the wilderness today.

SEPTEMBER 6th

Proclaimer: Pastor Cedrick

If there is an emotion that seems to resonate throughout the texts for this first week of our series, it is anger. If there is an emotion that often will launch us into a wilderness experience, it is anger. So, this seems to be where we need to begin.

SEPTEMBER 13th

Proclaimer: Pastor Cedrick

Remember, we are in the wilderness. The people standing on the shore, amazed at what God had accomplished, were not done with their journey. They had only just begun. We are on a journey too, making disciples of Jesus Christ for the transformation of the world. And we have only just begun.

SEPTEMBER 20th

Proclaimer: Pastor Cedrick

Manna, that is what we are celebrating today. Manna in the wilderness, sustenance for the journey. But also a question. "Manna" in Hebrew translates as, "What is it?" The perfect question for this odd stuff that just happened in the wilderness every morning.

SEPTEMBER 27TH - MEN'S DAY

Proclaimer: Rev. Kenneth Wheeler

The Men of Grace UMC will celebrate their annual day with guest preacher, Reverend Kenneth Wheeler. The theme is Grace: Village of Men. Please join us as we reflect on Proverbs 22:6 as we continue to build and strengthen our village.

Happy Birthday to all and my Heaven smile on you is our prayer.
