SEEKING ADULT VOLUNTEER SUPERSTARS!

While every family of cast and crew is asked to volunteer throughout the process, we have a few specific openings to fill for some of our 'expert' roles.

- Costumes - measurement, small adjustments, do not have to make costumes by hand!
- Lighting / Tech - willing to learn our sound system, help with lighting setup, & troubleshoot as needed
- Hair / Makeup / Getting Ready Coordination - many students do their own, but looking for one or two adults to support during tech week and production.

Volunteer opportunities will be shared throughout the production season. We welcome any new parents to contact Lynn DeHoyos at Lmdehoyos@gmail.com if you'd like to get more involved as part of the planning team!

Registration is via Membership Toolkit and powered by FSA.
