

St. Barnabas School Bands

May 21, 2026

Dear Parents,

Your child has expressed an interest in joining the band and learning to play an instrument. Learning to play a musical instrument is a true challenge requiring a good amount of time and effort. The musical knowledge and skill gained in the **St. Barnabas School Band** can be carried forward into high school, college, and even into a professional career. The **St. Barnabas School Band** provides our students with the opportunity to play their instrument in an environment of teamwork, discipline, cooperation, and friendly competition. Through several public performances each year, the band serves to instill confidence and pride in a job well done.

On **Monday, June 1st**, a regional Catholic schools meeting for registration of new band members will be held at St. John Fisher School, 10200 S Washtenaw Ave., Chicago, IL at **7:00pm**. At this meeting, band instruments will be on display and a local music company will be on hand to help you obtain an instrument if you do not already own one. I will explain the instruments, the band program, and answer your questions. It is important that you and your child be present at this meeting so that we can begin this important phase of your child's education.

I look forward to meeting you and your child on **Monday, June 1st**, 7:00pm at St. John Fisher School.

Sincerely,

Mr. William Gula
Band Director
