

Building a Strong Foundation

Sunday, October 10th, was the kick-off of our stewardship campaign called: **Building a Strong Foundation**.

God is a generous architect who has given us everything: life, salvation, and forgiveness. Psalm 24 proclaims: "The earth is the Lord's and all that is in it, the world, and those who live in it; for God has founded it on the seas, and established it on the rivers." God, in Christ has generously blessed us all with abundance.

Made in the image of God, we have the privilege and responsibility to be stewards of God's good gifts to build up the family of God. Through the waters of baptism, God welcomed us as God's own children. In Ephesians 2, Paul writes: ¹⁹ "So then you are no longer strangers and aliens, but you are citizens with the saints and also members of the household of God, ²⁰ built upon the foundation of the apostles and prophets, with Christ Jesus himself as the cornerstone. ²¹ In him the whole structure is joined together and grows into a holy temple in the Lord; ²² in whom you also are built together spiritually into a dwelling place for God."

Dear friends, over the years, you have generously contributed to the ministry excellence at Christ the King. Between now and commitment Sunday on December 5, 2021, we will share stories about God's generous provision and think about how God is calling us to strengthen the foundation at CTK by investing in youth, music, and ministry excellence. CTK will build a strong foundation so that we can so that every person in Christ (EPIC) grows spiritually and the good news of Jesus is shared near and far.
