

Social Center Renovation

Closed July 1-31

This July, we will take an important step forward in improving one of our most heavily used community spaces, the Social Center at 2 Texas Drive. From July 1 through July 31, the building will be closed for a coordinated remodel designed to enhance the overall resident experience while also improving how services are delivered.

While much of the work involves behind-the-scenes upgrades, our priority throughout this project is to ensure residents can continue accessing essential services with minimal disruption. Below is what residents can expect during the closure.

Resident services and temporary locations

- Member Services and Social Center Building Monitors will temporarily relocate to 2 Texas Drive, Building B (Fabric & Fiber 2) July 1-31.
- Member Services will be closed June 24–26 to complete the move and will reopen Monday, June 29 at 2 Texas Dr, Building B, with regular hours of 9 a.m. to 4 p.m., Monday through Friday.
- During the remodel, staff will be working from various locations across campus. Residents are encouraged to contact staff directly by email or phone for assistance or to confirm where services are being provided.

Sun City Library services

The Sun City Library will be closed July 1 through July 31.

- Residents may keep borrowed books during the closure and return them once the library reopens.
- Donations will not be accepted in July. Residents are encouraged to donate materials directly to local charities rather than holding them for later drop-off, as a large backlog would overwhelm volunteers upon reopening.

- Beginning next week, some library materials will be unavailable as collections are packed for storage.

Georgetown Public Library (GPL) outreach

- WOWmobile visits will continue as scheduled.
- GPL Sun City Express reserve deliveries will be paused June 22–26 during the transition.
- Beginning June 29, reserve pickups will move to Building B at 2 Texas Drive, with hours of 9 a.m. to 4 p.m., Monday through Friday.
- Residents are asked not to place returns or donations for Sun City Library in outdoor book drops during this time.

Access to alternate spaces and ongoing activities

During the closure, residents are welcome to use lobby spaces at Cowan Creek and The Retreat.

Several services and activities will continue as scheduled:

- The Sun City Farmers Market will remain in the Social Center parking lot on Tuesdays from 9 a.m. to noon.
- The Blood Mobile will relocate for July and be available at Sun City Baylor Scott & White.

About the remodel

The project allows us to complete multiple planned improvements at once, reducing long-term disruption. Work will include updates to interior finishes, lighting, flooring, and restrooms, along with space reconfiguration to improve safety, accessibility, and service delivery.

We understand that a temporary closure can be inconvenient and appreciate your flexibility. This investment will ensure the Social Center continues to meet the needs of our community for years to come.

We look forward to welcoming you back in August to a refreshed and improved Social Center.
