

## FLORIDA SCRAMBLE SET ASIDE RULES

- Players tee off on each hole. Team selects the best positioned ball. Ball's position is marked and all 3 balls are played within one foot of this mark.
- Player whose shot was selected as the best positioned ball must sit out the next shot. **Only 3 balls advance to the green on any fairway. All players can hit the best positioned ball once the ball is on the green.** All putts must be made from the exact spot of the ball selected.

### THREE PERSON TEAM

Each player plays as above. The exception is that one player will take two tee shots per hole.

Therefore, one player will be driving two balls on each hole after which all three players play the best shots to the green. **NO SET ASIDE.** Once on the green the player who hit the two drives on that hole putts once for himself and once for the missing player.

**Each team must use two drives from each player on the team in the round.**
