

Fitness & Pool Registration Process

Log-in to the Sun City web site at www.sctexas.org using your member number and password.

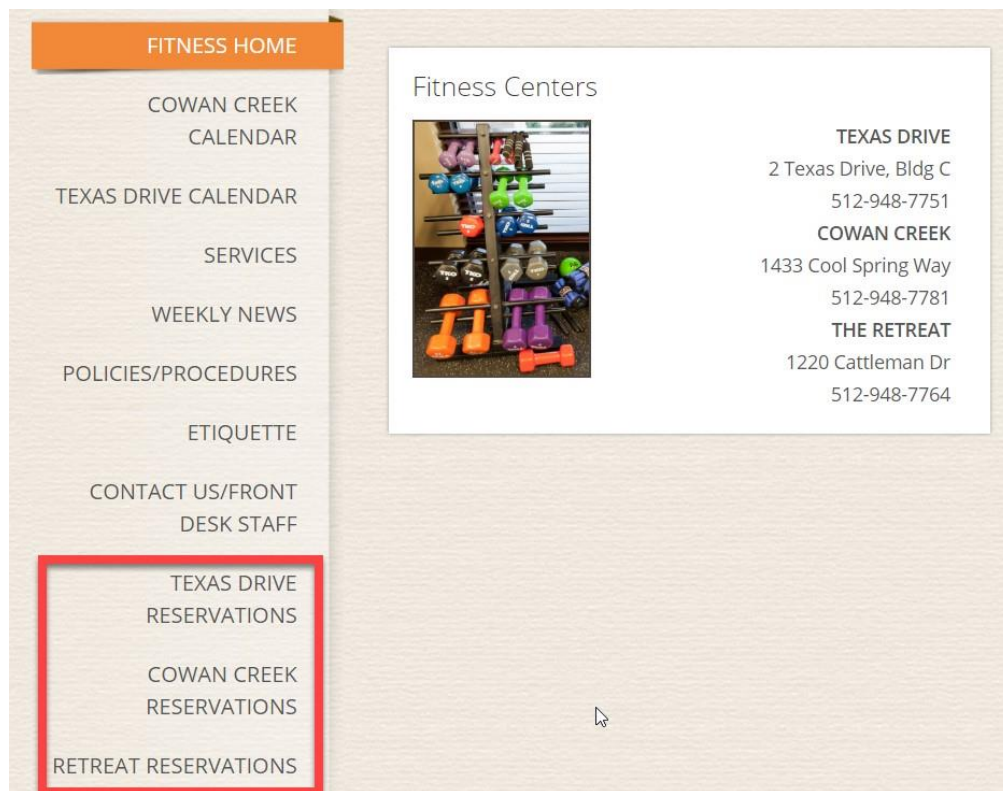

The image shows a 'Resident Login' form. It has a title 'Resident Login' at the top. Below the title are two input fields: 'Member # (12345-678)' and 'Password'. Below the 'Password' field is a checkbox labeled 'Remember My Username' and a link 'Login Help' with a question mark icon. To the right of these fields is a dark blue button labeled 'Login'.

From your “Resident Home” page click on “Fitness”.

From the navigation items on the left side of the Fitness web site select (Click) the location for which you want to make a reservation.

Selecting "Texas Drive Reservations" will take you to a page where you will select the type of reservation you want to make. Click on the desired reservation type (Gym, Indoor Pool, Outdoor Pool...). Some of the selections will not initially be available as we are opening the facilities in stages.

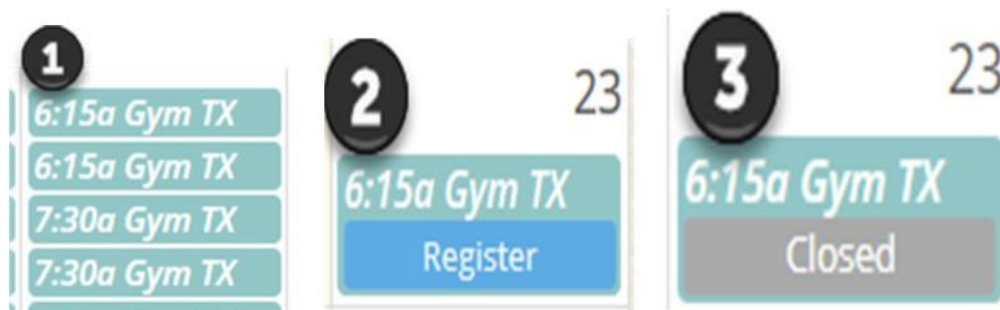

Watch the Fitness Communicator E-Blast for more information.

From the calendar that appears next, simply select the time slot you desire and click on it.

- 1.If the registration period is not yet open for a time slot, the calendar will only display the time information.
- 2.If the registration window is open for the event, you will see a “Register” notice.
- 3.If the time slot is filled to the allowed capacity, the calendar item will display a “Closed” notice.

The next screen will display the guidelines for the specific type of registration. If the registration is open, you will see a "Register" button at the bottom of the page.
