

March 19, 2020

Dear MVA Lower School Students and Families:

My hope is that in spite of the ever-changing corona-virus situation, your family has had the opportunity to enjoy some down time during Spring Break.

As we prepare for the transition to on-line learning next week, rest assured that the Lower School faculty is committed to communicating with you so that your child(ren)'s learning can continue at every grade level. While the exchange of information may vary by grade level, all Lower School faculty will be communicating regularly with lesson plans, educational activities and instructional videos among other tools to facilitate learning. The Lower School faculty have dedicated a large part of their Spring Break to planning, researching, and brainstorming ways to meet your child's educational needs virtually in the coming weeks.

We thank you in advance for your partnership and patience through this learning process. As always, feel free to reach out with questions.

Wishing you continued health and safety,

Ms. Meristell Shackelford,  
Dean of the Lower School
