## SEEKING SUBMISSIONS

ASLA Oregon invites you to participate in the 2026 design awards program. The Design Awards celebrate professional and student excellence by recognizing the teams, individuals, firms and agencies responsible for outstanding landscape architecture and environmental planning in Oregon and beyond. Student entries are FREE!

## ELIGIBILITY

The Awards Program is open to all University of Oregon students in the Department of Landscape Architecture, including work completed by 2026 graduates while they were students.

## DEADLINE

The deadline for submission is Friday, **Thursday, August 13, 2026 at 5:00pm**. Submissions must be uploaded by the deadline for consideration. Late entries will not be accepted.

## EVALUATION CRITERIA

- Quality of design
- Response to design context
- Environmental sensitivity and responsiveness
- Clarity of presentation
- General value as a precedent for advancing the field of landscape architecture
- Overall submission, given the submitter's year in the Landscape Architecture program the form.

## JURYING

Jurying will happen over the summer. Oregon ASLA recruits a panel of jurors, who will be announced after the submittal deadline has passed. Jurors represent a variety of professional practice types and perspectives.

## SUBMISSION REQUIREMENT

You'll be asked to submit the following information:

**Submitter Name and Contact Information:** This is the name of contact (email) for the submission.

**Team Members:** If the submittal is a team project, please enter the names of all team members.

**Submitter Year in the Landscape Architecture Program:** If a team project, please list for all team members.

**Project Title:** 75 characters or less

**Project Subtitle (if applicable):** 125 characters or less

**Project Statement:** Describe the project purpose and the process for creating the design solutions shown in your submitted work, using up to 3500 characters.

**Materials:**

- Please select from 5 to 8 images completed as part of your project and develop a brief caption for each image. These can be posters, slide presentations or other work products from your studio class. The images should be in .pdf or .jpg format.
- Images can be in any format with a file size less than 10MB. Name the .JPG or .PDF file as follows: Project Title\_Image\_#.

Example: "2nd Avenue\_Image\_1.JPG"

## MAKING A SUBMITTAL

**Step 1:** Review this Call for Entries to identify needed information. Select your project, prepare a brief narrative and select what you'll upload to share with the jury.

**Step 2:** Submit required and optional materials using the [online submission form](#) by the deadline (5:00 pm on Friday July 18, 2025).

**Step 3:** Jurying will happen over the summer. We will notify student winners after jury results.

**Step 4:** Awards are presented at the Annual Soiree, held this year on **Friday, October 16, 2026 at Gray Gables Estate in Oak Grove** (just South of Portland). Winning student projects will be notified after the jury is completed.

**Step 5: (Optional) Presentation Boards:** Submitters are asked to prepare presentation boards to display at the awards ceremony for people to review in person and spark conversation. Presentation Boards are not mandatory but encouraged.
