We serve our brothers and sisters in Christ's name. We believe that service must extend outside our church community to our neighbors in need.

St. Mary's This 'n That Thrift Shop

has become a valuable presence in the Rio Grande community. A family atmosphere is enjoyed by volunteers, staff and our guests. This 'n That, as an outreach of St. Mary's, provides assistance in vital ministry and mission by offering quality clothing and household goods at affordable prices to the community, along with jobs and work experience to those in need. New to the Shops is a furniture room! Come check it out! Merchandise changes quickly. Proceeds help to support The Branches, and other ministries and outreach of St. Mary's.

Store Hours: Tuesday - Saturday
10 am to 4 pm

Donations accepted: Tuesday, Thursday &
1st Saturday of the month 10 AM to 3 PM

Location: St. Mary's This 'n That
The Village Shoppes Shopping Center
1304 Route 47 So., Rio Grande, NJ 08242

Congratulations to This 'n That! Gold
Winner of the 2022 Best of the Jersey Shore

St. Mary's turns inside out in the summer!

The doors of St. Mary's open out to the community all year 'round, through our This 'n That Thrift Shop and The Branches Center, both in Rio Grande, but we literally open the doors and move outside in the summer to our front lawn and the beach to better enjoy summer at the shore.

Join us for a concert at dusk under the trees, try worshipping at the beach on a Saturday evening, stop in our chapel any time day or night for a quiet respite ...

Whether you are visiting Stone Harbor or looking for a church home, we welcome you to join us for worship and please stay for coffee. We love visitors and invite you to tour our historic church.

Summer camps for young people

Camp Schedule

Science Explorers will provide 2 weeks of Summer Camps at St. Mary's in 2023:

July 17-21 **Ready, Set, Science!**
Half Day AM (9 am—12 pm) - Ages 7-11

July 24-28 **Jr. Investigative Team**
Half Day AM (9 am—12 pm) - Ages 4-6

The camp programs will be held Monday – Friday of each week.

Ready, Set, Science!

Get your goggles ready to experiment with chemistry that fizzes, bangs and pops. Make an explosion in a bag, erupt a mini geyser, mix up fizzy bath poppers, elephant toothpaste and other bubbling concoctions! Explore the world of physics and chemistry that exists in toys. Examine how simple machines make work easier and more fun too! For ages 7-11

Jr. Investigative Team

Join our team of curious tiny-techs as we explore a new theme each day. We will create an edible ocean, experiment with a "magic" magnet bottle, investigate butterflies, discover how birds adapt to their environments and make colorful sidewalk chalk! For ages 4-6.
