

The mission of St. Mary's Episcopal Church in Stone Harbor is "to restore all people to unity with God and each other in Christ." As part of that mission, we're following Jesus into loving, liberating and life-giving relationship with God, with each other, and with the earth as the Episcopal branch of the Jesus Movement. We accomplish this through Worship, Prayer and Outreach to our community and those in need. We seek every day to love God with our whole heart, mind and soul, and to love our neighbors as ourselves.

---

Our Music Program under the leadership of our Music Director Kyle Sheppard helps to further our mission.

Music is an integral part of life at St. Mary's. In combination with the spoken Word we use music to engage the congregation and enhance worship through vibrant hymn singing, choral musical offerings, as well as organ and piano. We use a variety of music from all periods of music history to modern day compositions.

To keep our music program alive and growing, we need to expand our offerings and broaden our exposure by including new styles of music, new instrumental groups and new musicians. The more we can offer, the more people we reach. The more we offer, the more people can be engaged and actively participate in our music program.

We will see a flurry of activity in our music program this year as we host concerts, welcome instrumentalists and vocalists, and raise our voices together as a strong, welcoming family.
