

"Passion+Perseverance"

October 6-8, 2022 • Pasadena, CA

ANNOUNCING NEW GMIS STEM ZONE COMPETITION!

Students will be randomly placed on sponsored-teams with a coach and work towards creatively solving real-world case studies. This is an opportunity to demonstrate the critically needed four C's of 21st Century Skills – Communication, Creativity, Collaboration and Critical Thinking.

- Prizes include individual cash prizes to the top three teams
- New GMiSTEM ZONE Trophy to the winning sponsored-team!!

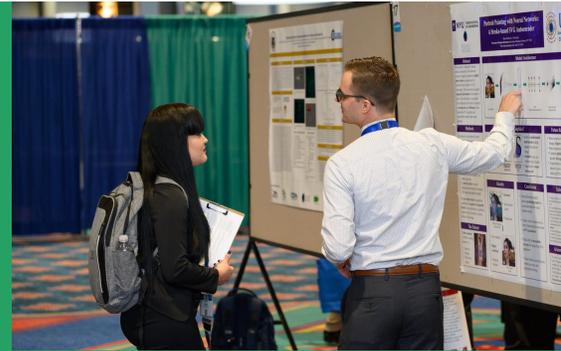

How To Participate?

Register for the GMIS Conference and select the Session titled GMiSTEM ZONE. If selected to participate, you will be provided information on the required GMiSTEM ZONE Overview Webinar on Friday, Sept. 26 at 12:00 PM PT.
