

## CORAM DEO ACADEMY 2019 LATIN SUMMER CAMP

**Put your Latin fears to rest!** Latin is a core element in classical education and we wish to support your child in preparing for a successful completion of this graduation requirement. Students entering CDA in **grades 6 and above** are required to complete CDA's Latin Summer Camp.

Latin Summer Camp connects your child with other new students and provides a great introduction to this wonderful language. Our experience has shown that after camp, new students transition more smoothly into their respective Latin classes in the fall. Additional support during the school year is available through after-school and/or Friday Latin Labs (offerings vary by campus/grade level).

Registration is made available online from your CDA family login once your student is accepted and enrolled. Cross-campus registration is allowed; families may select *either* session 1 or 2, as best fits summer vacation schedules. Students attend the complete session according to their grade level at either location.

This is usually fulfilled in a two-year sequence at the Logic School level by taking Latin 1A in 7<sup>th</sup> grade and Latin 1 in 8<sup>th</sup> grade. Students who enter CDA in grade 8 and above typically meet the Latin requirement with an accelerated class offered on Fridays covering the material of both Latin 1A and Latin 1 in one year. Either track will provide one full High School credit in foreign language.
