

The Firefighters of the Bay Minette Fire Department (BMFD) will be hosting **Firehouse Scramble on Friday, April 29th, 2022**. Registration and breakfast will begin at 7am with Tee Time at 8am.

**Proceeds from the Firehouse Scramble will benefit the Bay Minette Fire Department and their Fire Prevention Programs.** Over the past year the BMFD has given away and installed over 200 smoke detectors in homes in our community. In addition to the smoke detector giveaway program, the Bay Minette Firefighters see between 1,700-2,000 school age children each year teaching them about fire safety and leaving them with learning tools such as activity books, helmets and more to take home with them to ensure a lasting impression about fire prevention.

In addition to fire prevention education the BMFD offers CPR certification, car seat installation and fire extinguisher training among other services.

We would like to invite your business to be a part of this event through sponsorship and/or team participation. Enclosed you will find a sponsor/team form offering multiple levels of support.
