Dear Friends,

The Florida Network of Children's Advocacy Centers (FNCAC) is the statewide membership organization for Florida's 28 Children's Advocacy Centers (CACs). The FNCAC is a not for profit agency and is an accredited State Chapter of the National Children's Alliance (NCA).

The primary functions of the FNCAC are to educate and support the CACs through specialized training and technical support, to advocate for the CACs at the state and national level and to allocate state and federal funds to the CACs.

The Brunch, Bags, & Bingo event is a fundraiser for Cozy Spaces, Safe Places (CSSP) an FNCAC programs benefiting CACs in Florida to provide room makeovers for children who have been victimized in their bedrooms and have to continue living there. The scholarship funds will help to create a new, cozy and safe place for survivors; a critical component to a child's healing.

Your sponsorship of our Brunch, Bags, and Bingo event will include tickets to the event as well as opportunities to promote your business to hundreds of child advocates in our community. Full details on each sponsorship opportunity can be found in the following pages. We look forward to working with you to increase our state's response to child abuse and neglect.

On behalf of the Board of Directors, staff, and child survivors of Florida, we thank you for helping us in our mission.

Cindy Vallely

Executive Director
