Day Of Caring

Landscaping crew at the Weedsport Free Library

Countywide | August 3

A Day of Caring is an opportunity for volunteers to sign-up and tackle projects at nonprofits serving Cayuga County residents. Projects range from painting, stair repair, administrative work, gardening, and more! Join us for the 3rd Annual Day of Caring on Thursday, August 3rd!

During last year's Day of Caring, nearly 120 volunteers completed 16 different projects across Cayuga County in Fair Haven, Weedsport, Throop, and Auburn. Our goal is to see this event grow into more regions of Cayuga County.

The Annual Day of Caring was established in partnership with Nucor Steel in 2021.

Countywide Personal Care Drive

Countywide | August 3 – October 9

Between our five annual countywide drives and special museum exhibit drive held last fall, the United Way has collected more than 13,900 hygiene items that the Food Providers Network has distributed to Cayuga County food pantries, soup kitchens, and homeless shelters.

This year, we are launching the 6th Annual Countywide Personal Care Drive in conjunction with the 3rd Annual Day of Caring, and concluding on October 10th. Volunteers will collect and prepare the items for distribution by the Food Providers Network on Friday, October 13th.

Aurelius Fire Department collected more than 450 items!

2022 Personal Care Drive Box Design Winner: Cayuga County Office Building

To ensure the success of both the Day of Caring and Personal Care Drive, we need sponsors like **YOU!**

Yes! There are benefits to being a sponsor! The next page showcases our five sponsor levels ranging from \$100 - \$1,000 and the benefits associated with them. Become a sponsor by returning the completed Sponsor Registration form or following the QR code to register and pay online.

2023-24 CAMPAIGN CORPORATE SPONSORS

SEPTEMBER 2023 - MAY 2024

United Way Board Members raising awareness at a Family & Friends event for one of our workplace Campaigns

For more than a century, your United Way of Cayuga County has raised funds to support critical programs provided by Member Agencies. An essential part of the Campaign season are the celebrations that bring community members and businesses together to encourage and thank donors and supporters for contributing to the annual Campaign—helping our friends, family, and neighbors in need.

As a Campaign Corporate Sponsor, your support underwrites the costs of these celebrations—primarily the Campaign Kickoff in September and Campaign Festivities in May. By covering the costs of these events, more dollars raised during the Campaign season go directly to programs and services provided by our Member Agencies. Sponsorships are used to pay rental fees such as venue space, AV set up, linens, and more. Sponsor dollars are also used to cover the cost of food, decorations, giveaways, and other miscellaneous needs that create a great event.

2022-23 Campaign Kickoff goal reveal

2018-19 Campaign Festivities included hand crafted "Thank You" cards from youth at Booker T. Washington Community Center for donors in attendance

To ensure the success of the 2023-24 Campaign, we need sponsors like **YOU!**

Are there benefits to being a sponsor? Of course! Check out the next page to learn about benefits for each of our five levels, ranging from \$100 to \$1,000. You can become a sponsor by returning the completed Sponsor Registration form or following the QR code to register and pay online.
