

## A Chance to Serve

Do you want to serve the needs of others even in the middle of our shelter in place response to COVID-19?

Have a look at the list of outreach opportunities that has been collected on our Diocesan Website.

Our very own Hailey McKeefry-Delmas, Deacon extraordinaire has helped the diocese curate this list of outreach opportunities, and Noelle Chard has brought some new ones to our attention. If you want to help serve others in this time of pandemic, then please read the diocesan outreach page list and see where help is most needed. <https://diocal.org/ways-to-help>
