

# *Think Again: The Power of Knowing What You Don't Know*

by Adam Grant

1. Provide a major assumption that you rethought and as a consequence changed your life, e.g. your choice of career, your spouse,...
2. How would you view the USA if you were born as an American Indian?
3. Your best friend supports a political candidate that you oppose. How would you dialogue with that person?
4. How can schools do a better job of teaching kids how to think?
5. How would your career benefit if you had worked in a more open culture?
