

YASS-Young Adult Skills Spotlights

Wednesdays in June from 12:00-2:30PM

The goal of the Young Adult Skills Spotlight (YASS) Series is to introduce young adults to valuable communication and career development skills in a fun and engaging way. Each interactive seminar can be attended for just that one skill or you can attend all five to receive the maximum benefit.

1. **6/2/21: Enhancing Communication Strategies 101** – Do you want to know how to listen, understand, validate, and relate to people to have stronger and more effective communication? Would you like to have fewer arguments and more positive interactions in your family and your circle of friends where different perspectives are valued and affirmed?
Register in advance for this meeting:
