Dear Dr. Carol Tempel:

On behalf of The SCEA's Fund for Children and Public Education, I am pleased to announce that our Political Action Committee (PAC) has voted to recommend your candidacy for Charleston County School Board District 9 in the 2026 Statewide General Election. Enclosed is our contribution to assist with your election. Please note that you have sixty (60) days from the date of issuance to deposit the check. After the sixty-day period, the check will become void.

Thank you for participating in our vetting process with educators. The SCEA is committed to strengthening relationships and dialogue between our members and their elected representatives.

The SCEA Fund for Children and Public Education also plans to enhance our support of your candidacy by implementing an aggressive Get Out the Vote (GOTV) effort with our members. As Chairperson, I will record a message for our members stressing the importance of supporting you on election day, and we will distribute a direct mail piece to them as well.

Enclosed is a copy of our Legislative Agenda. The SCEA looks forward to collaborating with you in the future, as we lead the efforts on adequate and equitable funding for public education, qualified teachers in every classroom, improved compensation for educators, greater parental involvement, and a healthy learning environment.

We look forward to working with you to create the vibrant public-school culture that every student in South Carolina deserves.

Best wishes for victory on November 3rd.

Sincerely, 
Dr. Dena R. Crews, Chairperson
