OUR HISTORY

01 St. Dunstan's exists thanks to a group of friends who began gathering in a home in 1966

02 From there, land was purchased, a nave & BEC built, & debt was retired thanks to the parish's faithfulness

EPISCOPAL CHURCH

WHY NOW?

Now is the time to set the course for Saint Dunstan's future. New people are connecting with God and our church, growing spiritually and relationally through our ministries, and serving in our church and community. With a strong core of staff and volunteers, we embrace a vision of gratitude, prayer, faith, and sacrificial giving. We have experienced growth over the last five years, and the time has come to make changes to our physical plant to make our campus more welcoming to all.

STRONG ROOTS
BUILDING THE FUTURE

Greetings, faithful ones,

Today, I reflect on God's blessings since I became your rector five years ago. We have built vibrant ministries, celebrated various milestones together, said farewell to beloved pillars of our community, planted a new service in Spanish, created a Sunday School hour for all ages, extended children's chapel to all 9:00 and 11:15 services, etc. Together, we emerged from the COVID-19 pandemic stronger and more resolute to continue to be a source of comfort and joy to our parishioners. We have preached the gospel of salvation consistently and enthusiastically, and we have built a loving community that truly cares for each other and our neighbors. We have been a force for good in our community and the Diocese. I am grateful for your love and support. The Capital Campaign we are about to start honors our roots, while laying out the ground work necessary to continue to grow. I pray you will commit earnestly to this work. The time is now!

OUR GOALS

01 Improve our street visibility with the new Stuebner entrance, making it easier for visitors to find us.

02 Make the best use of our existing spaces: remove the "old kitchen", expand the choir loft, new vesting and sacristy spaces; commercial kitchen where the choir room is, new choir room in the BEC

03 Create a child-friendly courtyard to be more welcoming to young families
