

2U Piano Recital

“Make sure it has a lock!” That’s what one 2U board member said, knowing that the piano-playing members and friends of the 2U congregation would be very eager to try out the new piano. Lock or no lock, the 2U Piano Recital on September 21 will give all our pianists - young and old, beginner to advanced - the chance to play our gorgeous new instrument and share their musical talents with the rest of the congregation.

Mark your calendars - the recital will take place on September 21, at 7 PM in 2U’s sanctuary. All are welcome; the suggested cash donation is \$15 for individual or \$25 for couples and families. If you would like to perform, please contact Tammy Stump (tammykaystump@gmail.com) as soon as possible and no later than September 13.
