

THE ACC HIGH SCHOOL PROGRAMS PRESENTS

NEW Dual Credit Textbook Scholarship Fund

HOW IT WORKS:

- The scholarship will be available ONLY to high school students who (1) are enrolled in ACC's Dual Credit programs, (2) show financial need and (3) provide proof of high school support through counselor recommendation.
- The number of scholarships awarded each semester may vary depending on available funds.
- After students have enrolled in their ACC courses for next semester, they complete an application: Dual Credit Textbook Scholarship Application deadline for Spring 2021 semester is December 4, 2020.
- The scholarship will cover the costs of textbooks and required online (first day) materials; payment will be made directly to the ACC Bookstore or online entities through vouchers or internal fund transfers, so students will not receive any money directly.
- The scholarship will only cover such costs when ISD or other scholarship support for materials is not available; thus, Early College High School students are not eligible.

PAY IT FORWARD:

The scholarship only works with community support. If your family is in a position to contribute, please do, and help pay it forward for another student. Every little bit helps!
