Pass/No-Pass for Veterans

P/NP grades should have no impact on veterans' benefits.

We strongly suggest that all veterans discuss the implications of P/NP grades on their benefits with [Financial Aid and/or the Veterans Affairs Specialists](#) prior to making their decision.

Incomplete (I) for Veterans

Changing the grade from an Incomplete to a W will affect Veterans benefits. For Veterans benefits an I grade that changes to an A,B,C,D or F is acceptable, but a grade of W will cause a financial debt to the student.

We strongly suggest that all veterans discuss the implications of Incomplete (I) grades on their benefits with [Financial Aid and/or the Veterans Affairs Specialists](#) prior to making their decision.

Please see [attachment](#) for step by step process on how to [convert your grade\(s\) to Pass/No-Pass](#)
