STUDENT RIGHTS & RESPONSIBILITIES
STUDENT AFFAIRS

austincc.edu/srr

Dear ACC Student,

Welcome to Fall 2021! Our number one goal is your success. As you begin the semester, in person or online, the Student Affairs Dean's Office is here to support you in your journey. ACC has many resources to help you navigate your way through college. We encourage you to use these resources, ask questions, and reach out to us. Know you are not alone!

A major role of ACC's Student Affairs Deans is to ensure a safe learning environment. Respect and integrity are values we hold high in academia. As such, we want to remind you to respect and credit the work of others. Academic dishonesty, which includes cheating, plagiarism, and collusion, is a serious matter. Below are links to helpful academic integrity information from ACC's library:

- Academic Honesty Interactive Tutorial
- Citing Sources & Plagiarism: Citations & Plagiarism LibGuide
- Citing Sources Video - 9 min video about the importance of citing sources and different citation formats
- Online Citation Guides (MLA, APA, etc)

The next page lists some of your responsibilities and rights as a student at ACC, and on the last page, you will see who your campus dean of student affairs are. All ready to assist.

Once again, welcome to Fall 2021! We wish you a successful semester and are here to support you in your education at ACC.

You GOT this Riverbats!
