Disciples who make disciples ... Model it!

GOD's Story— Chair 4, The Disciple Maker: Luke 10:1-2, 17-21

Disciple: one who accepts and assists in spreading the doctrines of another:
I do it, you do it, we talk about it—repeat.

- The key to being an effective disciple-maker is modeling the doctrine (blueprint, clear direction, and instruction) of what is to be spread.
- Disciple-making is and should always be a duplicatable, repeatable process.
- Fulfilling our roles as disciple makers—Chair 4 Jesus Followers brings joy to our lives!

BIG Idea: Being a disciple-maker is a process that may only be rewarded with very few moments of rejoicing for the disciple-maker, but an infinite amount of rejoicing in heaven.

That's What's up!
