

Dear friends of CMF and MOHI,

We have some exciting changes that we are eager to share with you!

We are celebrating the growth of our two organizations that have worked closely together for the past 16 years. In collaboration with partners like you, we have seen more than 20,000 children receive an education, 15 churches planted, and thousands of Kenyan families rise out of poverty through holistic transformation. **Thank you for the critical role you have played in this ministry.**

God has blessed both Missions of Hope International and CMF with extraordinary growth and vision. As we prayed and strategized for our futures, it became clear that the most effective way for both organizations to continue to grow in our ministries is to transition MOHI's U.S. operations to an independent and dedicated team. We anticipate that this transition will be complete by early 2021.

Both MOHI and CMF have extensive ministries with plans for significant growth over the next 10 years. To learn more about these changes, I invite you to watch a [video](#) that

Mary Kamau, MOHI Co-Founder and Executive Director, and I put together sharing all we've accomplished together and our hopes and dreams for the future.

We know that our partnership with MOHI has changed thousands of lives, to the glory of God, and we plan to continue working together into the future. **At this time, you don't need to do anything differently.** CMF is prepared to securely transfer your contact information and MOHI-specific giving history to MOHI LLC after **August 7** so that this dedicated team can fully support your faithful partnership moving forward. Doing so will allow for a seamless transition that includes you receiving partnership updates exclusively from MOHI before the end of the year. As the transition ramps up in the coming months, we look forward to sharing additional information with you, including changes in where to send your support. In the meantime, if you have specific questions about the transition or would like to change your communication preferences, please email our team at transition@cmfi.org or call (317) 578-2700.

We have been blessed by our 16-year partnership with MOHI and are excited to see how God will use this beloved organization to spread the hope of Christ in an even wider area of influence. We see this future autonomy over MOHI's U.S. operations as a beautiful example of God's blessing and the culmination of a successful partnership.

Thank you for being a part of God's mission in our world through CMF and MOHI.

Peace of Christ,
