

National Prescription Drug Take Back Day

Drug Enforcement Administration (DEA) announced the National Prescription Drug Take Back Day will be Saturday, April 24, 2021, from 10:00 AM to 2:00 PM.

The Fairview Police Department will be collecting prescription drugs behind City Hall on that day between 10:00 AM – 2:00 PM.

Throughout the year, you can drop off prescription drugs at the Fairview Park Police Department.

Pills, tablets and capsules can be properly disposed through the Cuyahoga County Sheriff's Office Rx Drug Drop Box Program. Residents can deposit unused, unwanted or expired prescription drugs at the drop box at the Fairview Park Police Department.

Needles and syringes are not accepted in the Drop Box. For proper disposal information, see [Needles and Sharps](#).

Liquid medications are not accepted in the Drop Box Program. Properly dispose of liquid medication by mixing it with something like coffee grounds, cat litter, dirt or sawdust to make it undesirable or unusable. Once the liquid is in unusable state, place it in the regular trash for proper disposal. Do not flush liquid medications into our sewer system or waterways.

Contact your local police department or law enforcement agency about disposal of **vaping products**.
