

BAIN PARK EROSION PROJECT

The construction is complete along Coe Creek in the Bain Park's woods. The area is open for your enjoyment.

WEST 220 BRIDGE OVER I-480 (OHIO DEPARTMENT OF TRANSPORTATION)

The Ohio Department of Transportation (ODOT) has begun the study phase of the West 220 Bridge over I-480. The engineers have alerted the City that the pedestrian fencing between the roadway and sidewalk is not allowed as standards have changed. Initially, ODOT engineers are considering recommending a wider sidewalk area (8' wide on the east side and 6' wide on the west side). Currently sidewalks on this bridge are 5' wide. The project is in the design phase and construction is currently scheduled for 2027.

WEST 223 STREET WATER LINE REPLACEMENT AND PAVEMENT RESURFACING PROJECT

West 223 Water Line Replacement and Pavement Resurfacing Project was approved by the City of Cleveland Division of Water as a "combined project", for which the Division of Water will reimburse the City for the water main portion of the Project and the City of Fairview Park will fund the resurfacing portion of the Project. Plans were prepared by the City's consulting engineer, and sent to Cleveland Water for approval. Construction will begin this summer, weather permitting.

CUYAHOGA COUNTY HEALTHY URBAN TREE CANOPY GRANT

The City was awarded \$69,507 from the Cuyahoga County Healthy Urban Tree Canopy Grant program to plant trees along Lorain Road and trees in tree lawns in the public right-of-way and within to increase the tree canopy. Maintenance of trees throughout the City is also included in the funding. Planting and maintenance activities will begin in this month, weather permitting.

OHIO DEPARTMENT OF NATURAL RESOURCES EMERGING TREE GRANT

The City was awarded \$50,000 from the Ohio Department of Natural Resource's Emerging Programs 2023 to increase the tree canopy. The City intends to plant trees in tree lawns in the public right-of-

way and within City parks. The funding will also be used to update the street tree inventory and develop a street tree plan for main corridors in the City. Planting of the new tree lawn and park trees will begin this month, weather permitting.

CUYAHOGA COUNTY 50/50 FUNDING PROGRAM (WEST 210 STREET PROJECT)

The City has received the maximum \$250,000 funding from Cuyahoga County to work on West 210 Street (a county road). The project is for the section of West 210 Street from Lorain Road to Center Ridge Road. The design of the project will take place in 2025 and construction will be in 2026.

2025 PAVING PROGRAM (YEAR 36)

Engineering design for the 2025 paving program are complete (Haber Drive - West 227 Street to West 220 Street). The bids for this project are due on June 13, 2025. Once a contractor has been awarded the project, a timeline will be shared with residents.

I-480 SOUND WALL

The Ohio Department of Transportation (ODOT) is working towards finalizing a Stage 3 set of plans for review for the I-480 Sound Wall. ODOT's goal is to have the plans complete by the end of March. The project is scheduled to be filed with ODOT Central Office on 8/11/2025 with an assumed begin construction date of 4/1/2026.

THOMAS LANE PARK LANDSCAPE IMPROVEMENT PROJECT

The proposed improvements include landscaping, a new bench and a fence. The funding for the project from the Ohio Department of Natural Resources is included in Ohio Senate Bill 310. As these improvements will occur on City-owned park property, the City Administration has received approval from the Parks & Recreation Commission and the Planning & Design Commission. The planting will begin in the fall of 2025.

WEST 215 STREET, WEST 217 STREET, WEST 219 STREET, LORAIN ROAD

The gas company, Embridge Gas, is replacing the gas lines on West 215 Street, West 217 Street and West 219 Street. The construction on Lorain Road at West 215 Street is related to the project. The construction should be completed in June. Please use caution while traveling in that area.
