2022 Young Farmers & Ranchers Collegiate Discussion Meet

Background

The Collegiate Discussion Meet is a competitive event promoted by the California Farm Bureau (CAFB) Young Farmers & Ranchers (YF&R) Committee. The Farm Bureau's strength depends on its members' ability to analyze agricultural issues and decide on solutions that best meet their needs. The competitive event is designed to simulate a committee meeting where discussion and active participation are expected from each committee member. Contestants build basic discussion skills, develop a keen understanding of important agricultural issues, and explore how groups can pool knowledge to reach consensus and solve problems. **A successful contestant is a productive thinker rather than an emotional persuader. He/she will assist the group in creating ways to implement the solutions discussed and highlight Farm Bureau's involvement in those actions/steps.** The California Farm Bureau provides, as part of the state recognition award to the winner, an expenses-paid trip to the **2023 AFBF Fusion Conference held in Florida**. The AFBF YF&R Committee and the AFBF Organization Department will coordinate the program at the national level.
