The show theme is "**Atascadero Time Machine: Back to the 80's!**" professionally written and directed by Molly Comin. The event will showcase entertaining dance routines, fabulous costumes, vocals and theatics.

Director Molly Comin will be diligently working with **more than 40 dancers** over the next few months that will perform in 80's themed vignettes featured in between the community star dance routines. Many of the vignette dancers are professionals blended with DWOS past community stars, affectionately referred to as "All Stars." Once a star, always a star in my book! Returning DWOS past Community Stars dancing in vignettes are- Jennifer Adams, Jodi Bloom, Angela Cisneros, Brenda May, Janet K. Mc Lennan, Heather Moreno, Vicky Morse, Susan Poteet and John Webster.

This event wouldn't be a success without our dedicated 45 sponsors! Opolo Vineyards is supplying their fabulous wines for every dinner show. Central Coast Brewing is supplying their top-notch beer each evening. Show host entertainers will be Paso Robles Mayor Steve Martin and new addition- Professional Musician/Comedian Joel Mason from Las Vegas. Professional lighting will be provided by Bill Gaines Audio in San Luis Obispo, designed by Ryan Flores and operated by Scott Sebby. DJ Joy Bonner will provide professional sound. Brian Reeves will provide professional music editing. Cheryl Strahl will provide professional photography. Videographer Christina Bearce of Highlight Media will create a memorable DVD from the event.
