Wilson Ihrig

Emeryville

Los Angeles County Chapter

www.wilsonihrig.com

Founded in 1966, Wilson Ihrig is a noise, vibration and acoustical consulting firm with offices in California, Washington, and New York. We currently employ a staff of 23, which includes a team of highly-trained and experienced professional specialists in acoustics and vibration. Two areas we specialize in include transportation, noise and vibration, and building isolation from rail/transit.
