

HOLIDAY DECORATING

Most of us love fall and decorating for the season. When it comes to residents using real pumpkins, you may place one outside of your door (apartments only). Residence hall students may not put pumpkins outside of their doors. Once pumpkins begin to go bad please dispose of immediately in the nearest dumpster. Also please be kind and do not smash pumpkins belonging to other residents.

Please remember the following as you get into the holiday spirit:

- Window decorations may not include profanity, illicit illegal actions, contain threatening language, prevent the opening or closing of a window, or be flammable.
- Apartment or suite numbers may not be blocked or covered by wreaths, door coverings, lights or any other decorative element.
- Peepholes may not be covered.
- Fire protections and/or emergency equipment may not be covered or altered by exterior decorations.
- Holiday or decorative lights may be used, with the following stipulations:
 - Lights may not be strung under windows or doors.
 - Only exterior outlets may be used for outside lights.
 - Lights must be UL approved for outside usage, and the label denoting such use must remain on the light strand.
 - Lights may not be strung across areas where people walk (sidewalks, balconies, stairwells, etc).
