# THE GLASS CASTLE

by **JEANNETTE WALLS**

*“True story of Jeanette Wall, The Glass Castle is ultimately an uplifting story of hope, resilience, and unconditional love.”*

## Non-Fiction (Biography/Memoir), Adult

Imagine living in a dysfunctional family, while enjoying an everlasting bond. Life in the desert gets worse when her bipolar mother, alcoholic father, and her siblings become short on food and cash. The Walls family relocated to Welch, West Virginia where the children realize they must move away from their parents in order to achieve a stable life. Two sisters, Lori and Jeannette, set their sights on New York and begin to save money to move out of Welch. I enjoyed reading The Glass Castle because it demonstrated how you love your family, even though they can drive you nuts! Also, learning how to accept your family for who they are when face with many difficulties and challenges.

The Glass Castle is available as a book and audiobook on CD, as well as eBook or eAudiobook through Overdrive/Libby.
