BOOK REVIEW

ARETHA K. KIRKWOOD

LOVE IN CATALINA COVE

by BRENDA JACKSON

"Constant surprises with a twist!"

Fiction (Romance), Adult

A wonderful story of love, healing and second chances. Vashti Alcindor thought she would never return home after the way her community reacted to her teen pregnancy at age 16. But inheriting her aunt's B&B led her back. She got off to a rocky start with the new town sheriff Sawyer Grisham who pulls her over for speeding. Sawyer, a widowed father, and his daughter feel that Vashti is right for him.

The revelations that will unfold in this novel will keep your attention throughout the book. There are constant surprises with a twist at the end. I really enjoyed the storyline as old hurts fade and a chance at new love prevails. I can't wait to read the second title from this series.
