VIRTUAL AUTHOR'S DISCUSSION

## Undrowned

**Black Feminist Lessons from Marine Mammals**

**7:30 PM WEDNESDAY, NOVEMBER 18**

Charis Books and More in collaboration with the Auburn Avenue Research Library, present a conversation between Alexis Pauline Gumbs and adrienne maree brown. Two of the most radical thinkers and creators of our current era, they will discuss, *Undrowned--Black Feminist Lessons From Marine Mammals* and the many ways in which the natural world points the way forward to liberation for all species.

*Undrowned* is a book-length meditation for social movements and our whole species based on the subversive and transformative guidance of marine mammals. Our aquatic cousins are queer, fierce, protective of each other, complex, shaped by conflict, and struggling to survive the extractive and militarized conditions our species has imposed on the ocean. Gumbs employs a brilliant mix of poetic sensibility and naturalist observation to show what they might teach us, producing not a specific agenda but an unfolding space for wondering and questioning.
