Olive & Blu Photography

Please join us for Prineville's largest Fun-run event!!!

"This event has taken on a life of it's own, and truly represents the spirit of Prineville."
-Dr. Tony Ramos, DMD.

With over 500 participants last year, the Paddy Pint Run has become Crook County's largest run event!

Excitement is growing for 2020 and we want to make it even bigger and better! Due to the size of the event, our planning team has decided to keep it on the Sunday closest to St. Patrick's Day. Our 7th annual event will be on March 15, 2020.

As in past years, hundreds of racers have participated in raising much needed dollars to support dental health among our Crook County kids through the Tooth Taxi. Did you know that every \$5,000 that we contribute to the Tooth Taxi provides over \$30,000 in free dental care for low-income children in our community?

Additionally, we have raised funds for local schools and Crook County On The Move (a program of the Crook County Foundation), to encourage physical activity in our community.

We heard positive feedback from the changes made this year, so we plan to keep the 2 mile, 5k, and 10k options. People also enjoyed our enhanced finish line part, free kids carival and inflatables, and live music. The location couldn't have been better next to the iconic Crook County Courthouse and Good Bike Co and spilling down the street.

With your support we can grow the participation and community benefit this year. Thank you for your consideration of sponsoring the Prineville Paddy Pint Run and being a part of this growing community tradition.

To secure your commitment to the 2020 Prineville Paddy Pint Run please **contact us before January 10th** to gain the full value of your sponsorship.

With Gratitude,

Dr. Tony Ramos, DMD
