

# Fundraiser for the St. Peter's Lutheran Church and for the community!

In planning for several months and ready to be accomplished! I need about \$700 to pay for everything I need to complete this project. I plan on purchasing the materials on the 24th of June.

## Thank you all!

Some of you may know me and for those that don't, my name is **Gabriel Benslay**. I have had a passion for helping my community ever since I was a child and would like to give back to it with my **Eagle Scout Project**.

## My Project:

A few things I would like to mention about my project:

- 1) I have been planning this for several months now and I am very close to reaching my goal, I just need some extra help from my kind friends and family. I am going to do most of the project on the 27th of June.
- 2) The project entails building a slide into a hill, having a sandpit at the bottom of it and making a trail so that the children have a relaxing/refreshing/calm/peaceful place to play on.

## To Donate:

To finally make my dreams a reality I would like to ask the kind community if you would be so kind as to donate and amount of money as it all would help! Please write out any checks to the church committee.

Thank You All For Your Support!
