Service: We win when we serve others, we lose when SERVICE – is not at the core of what we do! We will have stratospheric success – when we serve a lot of people and serve them well. *(Albert Schweitzer, the theologian and medical missionary, once said: "I don't know what your destiny will be, but one thing I know: The only ones among you who will be really happy are those who will have sought and found how to serve.)*

Appreciation: We work/live by the Golden Rule- Do unto Others as you would have them do unto You, We believe- You can have anything you want in life – if you help enough people get what they want and it is better to give then receive. We believe in AIR: Appreciation, Inspiration and Recognition *"Do all the good you can, by all the means you can, in all the ways you can, in all the places you can, at all the times you can, to all the people you can, as long as ever you can."-John Wesley*
