Hurricane Laura Relief

for our neighboring Credit Union Employees

In an effort to show our support, the East Orleans, Tri-Parish, and West Orleans CU Chapters are banding together to help credit union employees impacted by Hurricane Laura.

We are encouraging you to raise funds at your individual credit unions through employee/volunteer donations now through September 30.

No amount is too small!

Total funds collected will be sent to the National Credit Union Foundation which will designate those donations to Louisiana employees in need.

The East Orleans Chapter will add \$500.00 to our total collections.

We hope that everyone remembers the abundant generosity and assistance many of us received following Hurricane Katrina.

Thank you for participating and fulfilling the credit union philosophy of "People Helping People."

Please send your donations in by Wednesday, September 30, 2020.

Make your donation check payable to the National Credit Union Foundation with Louisiana Designated Fund in the memo.
